

# DRIVELINE ANNOUNCES PARTNERSHIP WITH CARRARO AXLES AND TRANSMISSIONS

**Driveline Services Australia** – *the underbody & power transmission specialists*, are pleased to announce that we are now **Authorised Distributors** for the complete Carraro axle and transmission range here in Australia.

The Carraro range has products serving the **Agricultural, Construction, Material Handling** and **Light (on highway) Commercial Vehicles** markets.

For additional specifications and pricing on the Carraro application of interest please contact your nearest Driveline group branch on **1300-DRIVELINE**.
