

MECHANICAL WARRANTY TERMS & CONDITIONS

Driveline Services provides a Limited Warranty on major mechanical items such as Engines, Gearboxes and Differentials based on end use:

- General Onroad Use: 3 month or 5000km from purchase date
- Mining / Offroad Use: 1 month or 1000km from purchase date

The liability for the product under this warranty is limited to “repair” or “replace” or “refund” (limited to the original invoiced amount only) at the sole discretion of Driveline Services. Driveline Services **shall not** be liable for any damage, consequential loss, loss of profits, or any other damage or expense arising from the defective item. No liability is accepted for any transport, removal, installation, towing or other associated costs.

This limited warranty is subject to the following conditions:

1. All Engines, Gearboxes and Differentials **must be** installed by a qualified and Licensed Mechanic,
2. All Engines, Gearboxes and Differentials **must be** installed in the correct application for which it was specifically designed and originally manufactured for,
3. All Engines, Gearboxes and Differentials **must be** operated in the correct manner after installation. Misuse, overloading, operator abuse and negligence, competition work and/or accident damage will **VOID** this warranty.
4. Removing, dismantling, modifying or otherwise tampering with the product without prior written authorisation from the Company will render the warranty **VOID**.
5. Ongoing regular servicing **must be** carried out by a qualified Licensed Mechanic every 5000km to validate this warranty. Proof of the services will be required to validate the warranty.
6. Engines, Gearboxes and Differentials will not be recognised for warranty if the oil is contaminated, incorrect oil is used or filters have not been changed as required.
7. In the event of preliminary signs of malfunction, it is the responsibility of the customer to cease operation and report any problems to Driveline Services. Failure to comply with this condition may result in more serious consequential damage and **VOID** this warranty.
8. Any unauthorised repairs to Engines, Gearboxes and Differentials failures will immediately **VOID** this warranty.
9. In the case of Engine Warranty:
 - a. all radiators must be cleaned and tested prior to fitment of replacement engine. All other cooling system components must also be professionally checked and repaired or replaced if necessary.
 - b. The warranty does not extend to include accessories such as alternators, air compressors, carburettors, injection pumps, water, oil and fuel pumps, turbos, starter motors, belts, thermostats and housings, oil and temp switches, distributors, pulleys, harmonic balancers and flywheels. Damage to engines subject to failure of any of these items will **VOID** this warranty
 - c. The warranty is **VOID** if the engine has overheated (all engines are supplied with a heat tab fitted which **must not** be removed or tampered with). This warranty is **VOID** if the heat tab has melted or been removed.
 - d. The warranty does not cover timing belt failure or parts associated with or oil leaks.
 - e. All engine replacements must have the following fitted on installation:
 - i. new timing belts and pulleys,
 - ii. new rear, front and main seals,
 - iii. new thermostat, and
 - iv. new sump, timing and tappet cover gaskets
10. All Engines, Gearboxes and Differentials Exchange items must be returned within 21 days to validate this warranty.

Claims under this warranty policy must be commenced by submitting to the Company a completed copy of the Company's standard Request for Return Authorisation form (available from the Company on request), including a detailed description of why or how the product failed and proof of the date and mileage of the vehicle at the time of original fitment and time of failure. The Company will then advise if the product is to be returned for inspection, which, if so required, must be arranged by the purchaser within 14 days on a freight pre-paid basis, quoting the Return Authority Number provided by the Company. If required, written consent must be given by Driveline Services after receiving a detailed quotation by a qualified Licensed Mechanic before any repairs or work can be carried out.

This warranty is not transferable on the sale of the vehicle.
